Last Map Update: August 22, 2025

Highlighted "Average Enrolled" entries indicate rooms where an average enrollment exceeds the room capacity.

Highlighted "Utilization" entries indicate rooms where the utilization exceeds 100%.

"Average Enrolled" entries are based on an average of the highest enrollment value attached to each period assigned to a classroom.

** Rooms with a "SPECIALIZED" Program Use and no assigned enrollment receive 100% enrollment.
